I received by Express, Saturday
the Five Dollar Gold coin a.d. 1795.
It seems to me $15. is a very great price.
I cannot understand Why this Gold piece should
command 3 ½ per centum premium.
If you have an uncirculated $2½ Gold
coin of date of first issue, no other wanted.
in prime condition write me the price.
Wanted 2½ dollars a.d. first issue.
Inclosed please find Your Draft Bonds
payable to your order to the amount of Fifteen
($15) Dollars in full for $5. Gold a.d. 1795.

Very Respectfully
Yr. obt. Sert.
